BWR NEWS

Ed Swar presented to the club the results of the committee meeting held at Duane Niemans house to spend 1984's BWR funds. The items decided on were as follows: \$600.00 for an Eureka 20'x 30' canopy, \$400.00 for 8 water coolers, a \$500.00 cash contribution to the LMB, a \$500 cash contribution to the St. Clair High School, which will be used to purchase a trophy case for the school, and \$600.00 towards a Walleyball Extravaganza night. This Walleyball night is to thank members who worked in last years BWR and to encourage more members to help in this years BWR. All will be welcome. The club will be renting Clinton Racquetball Court for an evening of food, fun, and fitness. Details will be published later.

ATTENTION ALL DOODLERS

It's that time of year again for BWR patch ideas to be submitted. So let your imaginations run wild and get out those pens and pencils and let it loose on paper. Bring your ideas to the May meeting for club review.

BENNETTS

Discussion was brought up on the use of Bennetts Courtyard Restaurant for our CRR meetings. Ken Bennett seems to feel his help is not benefiting enough in exchange for our use of the room. Ideas were briefly discussed as to how we may reimburse him. One idea was presented by Jerry Pavlat and accepted by the club. Next month anyone who attends the meeting will be entered in a drawing to win tickets to see a play and enjoy dinner, an event to which Ken Bennett sells tickets to. The club will pay for four members to enjoy such a night. Also, some more ideas will be discussed at the next meeting as to working out some kind of financil arrangement with Ken Bennett.

LMB NEWS

Judi VanScott was voted as the LMB director of the 480 zone, last month at a meeting in Lansing. Congratulations Judi. Also the club voted in favor of paying a \$20.00 annual club membership fee to join the LMB.

BE A TV STAR

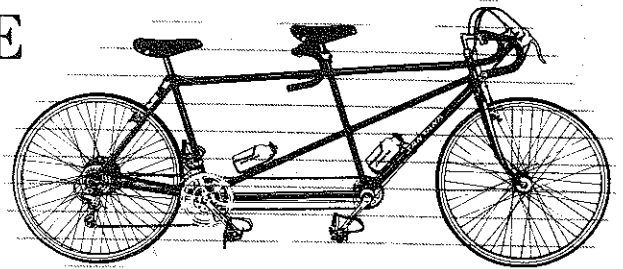

PAC TV, a cable network station, has written our club in regards to do some free publicity work to promote our club and it's activities. A meeting at Stevenso High School on April 11 at 7:00 p.m. will be held to inform prospective participants of what this programming entails. Everyone is welcome.

NATIONAL BICYCLE MONTH

The month of May has been declare National Bicycle Month for the purpose of promoting bicycling and bicycling activities. Ken Koch and Sandra Cryderman presented an idea that would improve community relations, promote bicycling and help promote Health Week at St. Joseph Hospital. The club was asked if any volunteers would like to help organize and staff a bicycle ride starting from St. Josephs West Hospital. All proceeds from this ride would benefit the hospital's ambulatory care unit. Volunteers are needed to help organize registration, man one rest stop, do route work, provide sag wagon service, and provide mechanical inspections of bikes. The event is scheduled to take place May 19, from 9:00 a.m. to 3:00 p.m. Anyone interested can call Sandra at 293-0162 or Ken at 286-1587.
