2021 MICHIGAN RIDE CALENDAR

THE ESSENTIAL GUIDE TO BICYCLING EVENTS

MICHIGAN RIDE CALENDAR 2021

The Michigan Ride Calendar is a signature annual publication of the League of Michigan Bicyclists (LMB) and the essential resource for cycling enthusiasts in Michigan and beyond. It is made possible by the support of LMB members and donors, the Michigan Department of Transportation, and our advertisers.

The online version of the Michigan Ride Calendar is regularly updated by event organizers. View the most current listings at LMB.org/ridecal.

MDOT Michigan Department of Transportation

A NOTE ON COVID AND 2021

LMB is committed to offering great experiences for bicycle riders to enjoy Michigan's natural beauty and friendly communities. Unfortunately, we are not confident that this is possible for LMB in 2021. Public safety has to be our first priority, ahead of our own preferences or financial interests, to protect our riders, volunteers, staff, and the Michigan communities we pass through.

We encourage riders to take all appropriate safety precautions, and recognize that each rider is ultimately responsible for their own safety and decisions. We also recognize that other tour organizers may reach different conclusions based on the size of their ride or logistical solutions, and we respect their decisions about how best to proceed for their own events. We believe it is in the best interest of our riders, staff, and volunteers to postpone the LMB tours to 2022. LMB is instead offering a mountain bike skills series starting April 24, and our Bike it! Commuter Challenge in the month of June.

$1 PER RIDER EVENTS

LMB's $1 Per Rider Program ($1PR) gives cycling events a simple way to support LMB's mission. These events pledge to donate $1 to LMB for every rider that registers. Your participation helps fund important LMB projects. They are highlighted in blue throughout the publication and listed on page 5.

ABOUT THE LEAGUE OF MICHIGAN BICYCLISTS

The League of Michigan Bicyclists (LMB) is a non-profit, 501(c)(3) statewide membership organization working to improve life through bicycling.

We envision a state where bicycling makes life better for everyone; serves as an everyday option for more people to commute, get around and have fun on roads and trails; and connects us to the natural world and each other. Our communities benefit through healthier people and stronger economies. Our transportation system becomes more equitable and environmentally sustainable. Our streets and trails are safe and accessible to people of every age, race, gender, ability, and economic status.

LMB supports and leads efforts to preserve and rebuild safe neighborhoods and streets. We partner and cooperate with state and local agencies and other like-minded groups to encourage various cycling programs and projects. LMB seeks to educate bicyclists, motorists, engineers, and law enforcement. Our effort to do this includes the development of the award winning *What Every Michigan Bicyclist Must Know* booklet, training programs for law enforcement, and resources for parents, bicycle commuters, and everyone who rides a bike.

The easiest way to get involved in LMB is by becoming a member or making a donation. Each supporter helps to amplify our voice and political clout, moving us towards a more bicycle-friendly Michigan.

The Michigan Ride Calendar is mailed to all LMB members. This publication is also available at MDOT Welcome Centers, Convention & Visitors Bureaus, bicycle shops, and at numerous bicycle-related events throughout the year.

Event Submissions: To appear in the Michigan Ride Calendar, event organizers must submit their bicycle-related events online every fall. To ensure your event appears in the 2022 publication, submit your event at LMB.org/ridecal before October 31, 2021.

Advertising: Reach more than 40,000 bicycle enthusiasts! Learn more about advertising opportunities in the Michigan Ride Calendar and other LMB publications by contacting us at (517) 334-9100.

WE'LL BE BACK IN 2022!

LMB has decided to postpone our 2021 tours to next year. We came to the difficult decision that we are not confident we will be able to offer a safe and enjoyable experience to all of our riders this summer. We look forward to riding with you next year on Shoreline West, MUP, Sunrise Adventure and HUB Fest!

4/24 - 6/19 Sat-Sat **LMB**

MOUNTAIN BIKING - FUNDAMENTAL SKILLS

Start: Luton Park, Rockford / Whafield Trail, Plainfield / Merrill Trail, Rockford **DOE:** No **Distance:** varies **$:** $50 single / $125 all three

Are you new to mountain biking but find you're nervous on the trail? Have you wanted to try but feel intimidated to jump into it? Or maybe you've been at it for a bit but would have more fun and feel more in control if you learned a few fundamental skills.

If any of these are true, LMB is pleased to offer the first Introduction to Mountain Biking – Fundamental Skills Series.

An introductory mountain bike skills clinic, taught by experienced, certified coaches who are also certified in First Aid and CPR, and emphasizing fundamental mountain biking skills, safety and trail etiquette.

Hosted by LMB Board Member and experienced Level 1 coach, Melissa Werkman, each half-day clinic is designed to build on the former and showcases three different West Michigan trails, each presenting different opportunities for skill building:

4/24 at Luton Park, Rockford
- *Mountain Biking 101 – Basic Skills*
5/22 at Whafield Park, Plainfield
- *Roots, Rocks, Bridges*
6/19 at Merrell Trail, Rockford
- *Wheel Lifts, Cornering, Berms*

As the clinics build on each other from week to week, registration for all three is encouraged but not required.

This series is designed for participants ages 14 and older (18 and under must have signed waiver from parents). Each session will be limited to up to 16 participants. COVID safety protocols will be required of all participants.

Max: 16/session | League of Michigan Bicyclists | Melissa Werkman | (517) 334-9100

Wouldn't you rather be on a bike right now?

Flying along with nothing between you and the ground but two tubes of pressurized rubber? Feeling the burn in your legs as they power you through yet another mile of pure unadulterated freedom? Because that's exactly what a bike means: **freedom.** Freedom to see the world on your own terms, at your own pace. The chance to move like the wind. Trouble is, it's tough out there for people on bikes. No respect. Nobody in your corner. Well, you've got us. We're the League of Michigan Bicyclists. **We've got your back.** We tell the folks in Lansing what people on bikes need. We get laws passed — like the law that said a bike rack over your license plate doesn't deserve a ticket, and the one that said e-bikes are a thing and not the same as mopeds. That was us. We got those ones through. That's not all. We've got plans. Big plans. Just one thing: they can't happen without you. **Time to step up.** Become a member today at LMB.org/join. Let's ride.

Despite all that divides us, we can still unite for better bicycling. LMB is proud to work with lawmakers from both sides of the aisle to improve life through bicycling, working for laws and policies that fight distracted driving, establish safer speed limits, and build better places to ride on Michigan roads and trails. Red or blue, we can't do it without you! Join LMB today.

LMB IS WORKING TO:

- Promote acceptance and enjoyment of bicycling.
- Advocate for safe and healthy transportation and recreation.
- Educate to enhance safety and awareness.

MEMBER BENEFITS INCLUDE:

- Representation on bicycle-related legislation and policies
- Copy of annual Ride Calendar (before general public)
- Subscription to *Michigan Bicyclist Magazine*
- Discounts on LMB Bicycle Tours
- Advertising discounts in our magazine and Ride Calendar
- Discounts on LMB merchandise
- E-News updates and action alerts
- Access to LMB staff

Improving life through bicycling. Yesterday, today and tomorrow.

LEAGUE OF MICHIGAN BICYCLISTS
LMB
40TH ANNIVERSARY
1981∞2021

We envision a state where bicycling makes life better for everyone; serves as an everyday option for more people to commute, get around and have fun on roads and trails; and connects us to the natural world and each other. ⚯ Our communities benefit through healthier people and stronger economies. Our transportation system becomes more equitable and environmentally sustainable. Our streets and trails are safe and accessible to people of every age, race, gender, ability, and economic status.

Help us celebrate 40 years – join today: LMB.org/members.
